President Report:-

I would like to thank my fellow club members for nominating and trusting me to be President of Mt Laura Lions Club and I will try my best to carry on the great work of past Presidents.

Thank you to all committee members for taking up new positions or continuing in the role you had last year. Lets all continue to work together to make this year a success.

Membership and social media will be a focus for me this year to try and grow our club, and I will also be talking to city council to see what the community needs and how we can help to achieve this.

I would like to bring in a little more Tech to the club and organise our meetings a little differently, so that when we have a guest speaker or potential new member, they leave with an impression of a organised and community committed club that they would like to return to.

I have cancelled the meeting on 10/7/19 out of respect for Fons Andriessen and to give me more time to think about the next year and prepare.

Fons Andriessen funeral will be on Wednesday 10/7/19 at Saint Teresa's Church. Those attending please meet at the church at 10:40am wearing Whyalla Mt Laura attire.

Next meeting will be 24/7/19. I would appreciate if all members could make arrangements to attend.

Yours in Lionism

President Stephen Pearce

ABOUT DISTRICT 201 C1

The Motivator

Due to the determined effort of Australian Secretary for Lions Clubs International, Jim McLardie OAM, the first South Australian Lions Club was formed in 1961.

The Initial Reward

The Lions Club of City of Adelaide was chartered by District Governor Dr Howard Waters of District 201C on 1st July 1961. The Club Charter was presented to Charter President Bevan Rutt, OBE; other officers of the club being Charter First Vice President Colonel Ron Hone and Charter Secretary John Minks. Club projects were undertaken immediately with the first being the printing of 111,000 copies of a pamphlet aimed at making children aware of the threat of molestation.

The Rapid Growth

Following another visit by Australian Secretary Jim McLardie and with the assistance from those first charter members, Bevan Rutt, Colonel Ron Hone and John Minks, the second club – Lions Club of Adelaide Light – was formed in April 1962. In the same year the three clubs of Burnside, Edwardstown and Marion were formed with all three charters being presented by District Governor William R. Tresise, MBE, the recognized founder of Lions in Australia.

During this time of growth the number of Lions Clubs throughout Australia was escalating at the rate of about 50 per year with Colonel Ron Hone and Bevan Rutt playing leading roles in the South Australian expansion.

District Structuring

Lions Clubs are structured into districts; in the early years the South Australian Clubs formed part of a Victorian district with the designation 201C. At the time there were five districts within Australia. Because of the rapid growth of the Lions movement in Australia, new districts were continuously being formed and in 1964 the number of districts had leapt to 9 with the South Australian Clubs being in District 201J under the guidance of the first South Australian District Governor, Bevan Rutt. The first Northern Territory Club, Alice Springs, was formed in 1964.

In 1971, the 80 chartered clubs of South Australia were divided into two districts – 201J and 201N. By 1977 the number of districts in Australia had increased to 21 and a major restructuring of the district numbering system was made. The number in South Australia had swelled to 124 and so a third district was formed in the state. The three South Australia districts were then designated as 201S1, 201S2 and 201S3.

The last District Governors for 201S1, 201S2 and 201S3 were Don Currie, George Rajkovic and Bob Rowell.

In 2001/2002 it was structured into two (2) Districts, 201C1 and 201C2.

The first District Governors were for 201C1 Joan Ceely and 201C2 Bob Radford.

Pat and Charter Member Barry Spry

In 1974, the Lions Club of Whyalla investigated the possibility of forming a second Lions Club in the City of Whyalla.

Lion George Sloan, the clubs extension officer called a meeting with this aim on the 21st of March 1973. This meeting was successful with Lion Bill Marsh the Club President chairing the meeting. After a great deal of discussion the name Whyalla Mount Laura was accepted as the name for the new club.

An election was held for the position of President with three candidates for that office. The successful candidate was Lion Frank Schultz, Lion John McKenzie was then elected to the office of Secretary and Lion John Laube became Treasurer.

Both the sponsoring Club, Whyalla, and the new Club, Whyalla Mount Laura, progressed from this point to arrange a larger membership and the Charter Presentation night which was then planned for the 22nd of June 1974 at the South Whyalla Football Clubrooms. A membership of 31 was achieved by that date.
