President Report:-

Fellow Lions:-

Well the month of July has certainly passed quickly, it's nearly been a month since our change over dinner. I have heard many positive reports on the dinner, I trust all had a enjoyable evening and once again I thank all those concerned for helping the night be a success.

It's been a reasonably quiet month in July with the chipvan at the Netball and the regular couple of Bobs Mitre 10 BBQ's. I hope all Lions enjoyed a quieter month as we start to get into our busier months ahead.

August is Whyalla Show month, so we will need all hands on deck over that weekend, So when the roster comes around please attempt to put some accurate available times on it, if possible.

We had our first Board meeting at West Whyalla Football Club in July and it just happens to be Jim's birthday, so it would have been anti social not to celebrate his **50th**.

Once again I am looking forward to my year ahead as President, remember my goal for 2011 - 2012 is 35 members by June 30th 2012.

So put on your thinking caps for prospective members and invite them for a look.

A happy club is a good club so should you have any issues or concerns don't hesitate to call me or pop into my office at work.

Yours in Lionism

Malcolm McLeod

Activity Report:

The Pedlar Cup carnival saw some great netball on the new blue courts. Another good example of our service to the community with the van on site. Busy in bursts so a great deal of fellowship was able to be conducted. Thanks for the support.

Don't know how many roses were at the Homestead but we sure got some pricks for our trouble. Maybe the committee should ask the Arid Lands Botanic Garden folks for some advice as to which natives would serve the area better. However we all learnt how to prune the roses, thanks Gordon.

Bob's BBQ rolls on as always and thanks to Len and the crew for their efforts.

Carols in the Park meetings have resumed and the planning is on track for December.
 Brian Marshall

Just Joking!

A group of 3rd, 4th and 5th graders, accompanied by two female teachers, went on a field trip to the local racetrack at Morphettville, to learn about thoroughbred horses and the supporting industry, but mostly just to see the horses

When it was time to take the children to the bathroom, it was decided that the girls would go with one teacher and the boys would go with the other.

The teacher assigned to the boys was waiting outside the men's bathroom when one of the boys came out and told her that none of them could reach the urinal.

Having no choice, she went inside, helped the boys with their pants, and began hoisting the little boys up one by one, holding onto their 'wee-wees' to direct the flow away from their clothes.

As she lifted one, she couldn't help but notice that he was unusually well-endowed. Trying not to show that she was staring, the teacher said, "you must be in the 5th?"

"No, ma'am, he replied. "I'm riding Silver Arrow in the 7th race, but I do appreciate your help."
