PRESIDENTS REPORT JUNE 2011

As this is the last report as Chairman I would like to give a brief overview of the past 12 months.

Using different venues throughout the year as a change from the norm -I hope that you enjoyed something different, casual and informative..

The Mt Laura Homestead proved to be a great venue for our Christmas show and highlighted the amenities that it has to offer, Arnie and I have started pruning the roses at the Homestead there is quite a lot more to do, so if you can spare a couple of hours your assistance would be greatly appreciated.

Thanks for a great year as President which I have enjoyed and I wish Malcolm all the best for his up coming year as President

Magpie Mick

KIMBA TRIP

Eleven in the bus and the riff raff in a sort of a ute travelled to Kimba for their hand over plus the ladies hand over (my first ladies event and it was good to listen to what they get up to)

No roos on the way just a few mice and a beautiful sunset which looked extra special with the dust and fine cloud

I enjoyed the meeting catching up with people from my apex days and lion lance from Pirie, the meal and service was very good, the potatoes in the other room could have been cooked a bit firmer

My little chat with matron Gill was (hard to put in words) but her journey has given me lift and thank you

The high light was the effort of " twister Hampel" with his jokes, nearly as good as me when i was firing on all cylinders

But i have one query about their do-nuts, with us being an all male club i know how we put the holes in them but how do the ladies do it

Thanks for an enjoyable evening
