Club Finals	Completed by 25th February 2012 NO LATER

Preferably prior to Christmas

President Report:-

Fellow Lions:-

Another busy month past with Whyalla Football and Netball finals etc, however the till keeps ticking away and our finances looking ok.

There is a busy period coming up with the erecting of the Shed, Christmas Cakes, Cycling event, Pride in Park, Jazz at Red Rock, Whyalla Heart Kids, Hospital Fete and Whyalla Gift Carnival. Please do your bit and don't leave it all to the same few all the time.

58% attendance at the last dinner meeting is disappointing, however we all seem to lead busy lives these days. We all need to get our teeth into looking out for new members, at this point we have Grant Mcleod and Robin Forbes verbally committed, Jim and I will get them along to a few more meetings.

If you think of anyone feel free to bring them along for a look. Brian Simpson informs me he is still intending to join.

Remember many hands make light work, so more members is the answer or we will have to consider less outings.

See you all soon.

Lion Malcolm McLeod
President

ACTIVITIES REPORT

The events during September saw some real activity in the fundraising area. Bob's BBQ, Netball Grand final, WFL Grand final and Bob's BBQ. Shame about the weather for the WFL Final however Mick and Gordon were happy, commiserations to Malcolm, Barry and Jim.

Coming up for October is

1st	Shed erection Bennett Oval
9 th	Shed erection Bennett Oval
14/16 th	C1 Convention Copper Coast
15 th	Bobs BBQ
15/16 th	Relay for Life
16 th	Bobs BBQ
22 nd	Advancing Whyalla Civic Park
25 th	Bluelight meeting
28 th	Bluelight Disco
29 th	E'Jazz at Red Rock man the bar
30 th	Heartkids Chips & Donuts

Reminders for November

5 th	Hospital Fete
5 th	Cycling Carnival
19 th	Food and Wine Fair
19 th	Bob's BBQ
26 th	Apex Pageant
27 th	Bob's BBQ

WARNING TO ALL

We have been notified of the new regulations regarding warm running water that is required in the Chip Van and Hot Dog Van. These regulations are NOT negotiable and come into effect January 1st 2012. We need to have the unit fitted and operational in the Chip Van and a decision regards the future of the Hotdog van as well before we could use it in 2012.

Brian A. Marshall

2002 LCIF acquires rights to Lions Quest program. LCIF joins with Johnson & Johnson Vision Care to develop and manage Sight for Kids program to provide vision screenings and eye health education for children in Asia

2004 Lions mobilize more than US\$15 million for South Asian tsunami relief, making this the single largest disaster reconstruction project in LCIF history.

2005 Campaign SightFirst II, LCIF's most ambitious fundraising campaign ever, kicks off at the Lions International Convention in Hong Kong. Lions raise US\$5 million for Hurricane Katrina relief.

2007 LCIF is named the #1 non-governmental organization in the world with which to partner by an independent Financial Times study.

2008 The largest single personal donation of US\$3 million is pledged to LCIF. LCIF and Habitat for Humanity partnership builds its 1,000th home. Lions donate US\$3 million for China earthquake relief. Lions surpass the Campaign SightFirst II fundraising goal, raising more than US\$200 million.

2009 Lions Quest celebrates its 25th anniversary. The program has served 12 million students and 500,000 educators in 66 countries. Lions raise more than US\$6 million for Haiti earthquake relief.

2010 Lions provides vision screening to the 211,000th Special Olympics athlete. In partnership with Bausch + Lomb, LCIF launches the Pediatric Cataract Initiative.

2011 The 318,070th Lion becomes a Melvin Jones Fellow and the 58,126th Lion becomes a Progressive Melvin Jones Fellow. Lions help administer the 148 millionth dose of Mectizan® to treat river blindness. LCIF awards its 10,000th grant, bringing the total amount awarded to US\$708 million.

Key LCIF Accomplishments:

- 1968 LCIF is incorporated as a Foundation.
- 1972 LCIF awards first grant of US\$5,000 for flooding in South Dakota, USA.
- 1973 The Melvin Jones Fellowship program is created as a way for donors of US\$1,000 to be recognized.
- 1984 LCIF begins partnering with Quest International to implement the youth development program, Lions Quest.
- 1985 LCIF awards first Major Catastrophe Grant of US\$50,000 for earthquake relief in Mexico.
- 1986 The Progressive Melvin Jones Fellowship program is established to give Lions a way to extend their commitment to LCIF.
- 1987 Campaign SightFirst is launched to raise funds to initiate the SightFirst program.
- 1989 SightFirst program begins and goes on to prevent serious vision loss of more than 30 million people.
- 1997 LCIF partners with the China State Council Coordination Committee on Disability for SightFirst China Action.
- 1999 LCIF embarks on a partnership with The Carter Center to combat river blindness and trachoma in Latin America and Africa. LCIF establishes the Core 4 grant program.
- 2001 The September 11 Disaster Relief Fund raises US\$3 million to help victims.
LCIF begins partnership with Special Olympics to provide vision screenings to athletes through the Opening Eyes program. LCIF and the World Health Organization launch the world's first-ever initiative to combat childhood blindness. To date, 34 pediatric eye care centers have been established or strengthened.

Being Green

In the line at the store, the cashier told the older woman that plastic bags weren't good for the environment.

The woman apologized to her and explained, "We didn't have the 'green thing' back in my day."

Back then, they returned their milk bottles, coke bottles and beer bottles to the store. The store sent them back to the plant to be washed and sterilized and refilled, using the same bottles over and over. So they really were Recycled.

In her day, they walked up stairs, because they didn't have an escalator in every store and office building. They walked to the grocery store and didn't climb into a 300-horsepower machine every time they had to go two blocks.

Back then, they washed the baby's nappies because they didn't have the throw-away kind. They dried clothes on a line, not in an energy Gobbling machine burning up 240 volts – wind and solar power really did dry the clothes. Kids got hand-me-down clothes from their brothers or sisters, not always brand-new clothing.

Back then, they had one TV, or radio, in the house – not a TV in every room. And the TV had a small screen the size of a pizza dish, not a screen the size of the state of Western Australia. In the kitchen, they blended and stirred by hand because they didn't have electric machines to do everything for you. When they packaged a fragile item to send in the Mail, they used wadded up newspaper to cushion it, not styro foam or plastic bubble wrap.

Back then, they didn't fire up an engine and burn petrol just to cut the lawn. They used a push Mower that ran on human power. They exercised by working so they didn't need to go to a health club to run on treadmills that operate on electricity.

They drank from a water fountain when they were thirsty, instead of using a cup or a plastic bottle every time they had a drink of water. They refilled pens with ink, instead of buying a new pen, and they replaced the razor blades in a razor instead of throwing away the whole razor just because the blade got dull.

But they didn't have the green thing back then.

Back then, people took the tram or bus and kids rode their bikes to school or rode the school bus, instead of turning their mums into a 24-hour taxi service.

They had one electrical outlet in a room, not an entire bank of sockets to power a dozen appliances.

And they didn't need a computerized gadget to receive a signal beamed from satellites 2,000 miles out in Space in order to find the nearest pizza joint.

But isn't it sad that they didn't have the green thing back

Australian Lions Foundation

Helping Lions, Help Their Communities

The Council of Governors of the day formed the Australian Lions Foundation in 1981, and this was formalised at the 1983 MD Convention held in Mount Gambier.

The Foundation operates under three Trust Deeds, with approval of all State and Territory Attorneys General, the Australian Federal Government, the Australian Tax Office and Lions Clubs International.

Trust Deed No.1

Provides help and assistance in all forms for Public Relief, Emergency Aid and Community Welfare, for persons in Necessitous circumstances in Australia.

Deed No.1 is funded by designated Voluntary Gifts from Lions Clubs, Lions Districts and the Public and Interest from Designated Investment Funds as determined by the ALF Trustees from time to time. Gifts of Two Dollars (\$2.00) or more are Tax Deductible.

Trust Deed No.2

Provides help and assistance in all forms for Public Relief, Emergency Aid and Community Welfare Projects anywhere in the world.

Deed No.2 is funded by Undesignated Voluntary Gifts from Lions Clubs, Lions Districts and the Public, the ALF Awards Program and Interest from Designated Investment Funds, as determined by the ALF Trustees from time to time.

Trust Deed No.3

Provides help and assistance in all forms for Public Relief, Emergency Aid and Community Welfare in those developing countries approved by the relevant Minister of the Government of the Commonwealth of Australia.

Deed No.3 is funded by designated Voluntary Gifts received from Lions Clubs, Lions Districts, the Public and Interest from Designated Investment Funds, as determined by the ALF Trustees from time to time.

Gifts of Two Dollars (\$2.00) or more are Tax Deductible.

- preventing serious vision loss for 30 million people
- providing close to 148 million treatments for river blindness
- engaging more than 12 million students and 500,000 educators in 69 countries in the youth development program Lions Quest
- building or expanding 315 eye hospitals/clinics/wards
- conducting 14 million vision screenings for children through Sight for Kids
- providing vision screening for more than 250,000 Special Olympics athletes from 85 countries through Opening Eyes

Find out more about our mission.

Every day, Lions Clubs International Foundation (LCIF) works to fulfill our mission: "To support the efforts of Lions clubs worldwide in serving their local communities and the world community as they carry out essential humanitarian service projects."

Since our founding in 1968 we have strived to sustain Lions' service goals throughout the world, awarding 10,268 grants totalling more than US\$729 million, in the four key areas of sight, youth, disaster relief and other humanitarian efforts.

We give sight. LCIF is providing vision for those in need all over the world by combating eye diseases, creating infrastructure to improve eye care delivery, increasing the number of trained eye care professionals and making vision care more equitable and sustainable.

We support youth. All young people deserve to have an education, feel cared for and experience healthy development so they can have the chance to achieve their dreams. Through our youth development program Lions Quest, LCIF is helping children learn to work together, make positive decisions and serve their communities. The Foundation also supports youth through constructing schools, youth centers and vocational training centers.

We provide disaster relief. Lions are often some of the first to arrive at a disaster to provide relief, and Foundation support is right there with them. We help devastated communities survive after disasters and bring hope by assisting in long-term efforts of rebuilding of homes and lives.

We address humanitarian needs. From working to combat global health issues such as measles and diabetes to empowering those with disabilities to lead more independent and fulfilling lives, LCIF is dedicated to a range of humanitarian services. The Foundation continues to develop and expand programs that meet emerging needs worldwide.

Lions around the world are united by a great spirit of giving and dedication to helping others. As the official charitable organization of Lions Clubs International, Lions Clubs International Foundation (LCIF) supports Lions' compassionate works by providing grant funding for their local and global humanitarian efforts.

We help Lions serve

LCIF helps Lions improve peoples' lives around the world, from combating vision problems to responding to major catastrophes to providing valuable life skills to youth. Because LCIF helps Lions carry out large-scale projects through our grant programs, Lions increase their impact in their local and global communities and serve even more people in need around the world.

Our funds come from individuals

LCIF grants, on average, US\$30 million annually. Donations from 1.35 million Lions in 206 countries provide the vast majority of the revenue received by LCIF, making the Foundation a global leader in humanitarian service. Lions know their donations matter and that 100 percent of every donation goes directly to people in need.

We form lasting and successful partnerships

LCIF leverages the donations we receive through effective partnerships with other foundations, corporations and governments on the local, national and international level. We are proud that LCIF was named the #1 non-governmental organization worldwide with which to partner, according to a 2007 Financial Times independent survey.

We have key areas of service

To support Lions' mission of serving communities and meeting humanitarian needs, LCIF provides grants in these focus areas:

- Saving Sight
- Serving Youth
- Providing Disaster Relief
- Meeting Humanitarian Needs

We make an impact

LCIF and Lions reach millions of people and accomplish visible results. Some of our accomplishments include:

Australian Lions Foundation

Helping Lions, Help Their Communities

Six Trustees representing each State/Territory manage the affairs of the Foundation. The Trustees meet four times per year to review all the affairs of the Foundation and to consider all applications for assistance that have been received since the previous Trustee Meeting. Clubs and Districts are encouraged to submit applications, [understanding that there is no guarantee of its success] to the Foundation for assistance for intended projects of any size. The Foundation does not provide complete funding for any project. The goal of the Foundation is to assist the applicant Club or District, [subject to Foundation Grant Guidelines and ALF funds available] if they do not have sufficient funds to carry out the project. The decisions of the Trustees are final and no correspondence will be entered into.

The Foundation makes Emergency Funds available to Clubs and Districts to immediately assist people affected by Earthquakes, Floods, Bush Fires, Droughts etc. The Foundation also assists the MD Council of Governors, when requested, to administer National and International Appeal Funds.

Funding of the Australian Lions Foundation comes from gifts by Lions, Lioness and Leo Clubs, Zones and Districts, Individuals, Bequests and Interest Earned from Investments.

The Australian Lions Foundation has an Award Program that Clubs and Districts can participate in by sending an undesignated gift to the Foundation. These Awards are available to Clubs and Districts who wish to recognise and honour an Individual or Group, including non - lions.

Personal Gifts

An individual Lion member or a non - lion member of the community may wish to make a personal gift to the Australian Lions Foundation. Certain designated personal gifts of \$2.00 (two dollars) or more are Tax Deductible.

Annual Honorary Gift

Each year when you receive your semi - annual Dues Account, your club is requested to make a voluntary donation to the Foundation. We urge you to ensure that your club responds favourably to this request.

Dear President Malcolm

Geoff and I would like to sincerely thank your members and partners in their extremely warm welcome during our official Club Visitation on Friday 26th August.

We thoroughly enjoyed the way in which all in attendance included us in their time of camaraderie, fun and fellowship and learning about all of the club's community projects and activities.

To say that we have never worked so hard at a Lion's project as we did at the Whyalla Show is an understatement. That being said we were blown away by the way in which all your members rallied together to make what could have been an overwhelming project an enjoyable one which included a strong aspect of fellowship, and to hear of the success of raising funds was just the icing on the cake. We had an absolutely fantastic weekend and look forward to returning to Whyalla in the future—maybe I will even submit my transfer to Whyalla Mt Laura for consideration.

Special thanks to PDG Jim Hewitson & LL Aileen and Lion Brian & LL Anita Marshall for their hospitality and enabling us to once again enjoy their friendship as our hosts whilst we were in the area.

I was especially pleased to see your club members embrace the idea of planting trees as part of International President Tam's Tree Planting Challenge and look forward to seeing the number of trees that your club plants grow over the year.

Once again, many thanks and I look forward to working with and for you over the 2011—2012 Lions Year.

Yours in Lionism
 Kind Regards

Lyn Shoemark District Governor 2011-2012

Copy of letter received on 6th September from DG Lyn Shoemark.

Whyalla Gift Foundation

In 1991 the Lions Club of Whyalla Mount Laura established the Whyalla Gift Foundation. It was a result of the foot race known as the Whyalla Gift.

The foundation provides financial assistance to people who have been selected to represent Whyalla, South Australia or Australia in their chosen sport or competitive activity.

The foundation is funded by donations from the Corporation of the City of Whyalla, the Lions Club of Whyalla Mount Laura and allocations from the Whyalla Community Fundraising Association.

In 1993 the Dutch Shed at the Whyalla Show was purchased by the Lions Club from the Dutch Association. The bulk of the foundations funds come from income generated by the Dutch Shed each year.

Since its conception in 1991, the Whyalla Gift Foundation has donated a total of \$110,175 to 404 individuals and 66 groups.

Thanks to the generous support from the foundation—sporting groups and/or individuals have been able to compete overseas, travelling to such destinations as New Zealand, Japan, Fiji, France, Turkey, Greece and United States of America, and to 35 interstate destinations.

All income and assets of Whyalla Gift Foundation are used solely for the purpose of furthering the foundations objectives, the main being to promote and encourage the achievements of the citizens of Whyalla in State, National and International events.

In order for an individual or group to be in receipt of funding from Whyalla Gift Foundation, the following rules apply to all applications.

1. The nominated person must be chosen to represent Whyalla, South Australia or Australia.
2. The person nominated must be a permanent resident living in Whyalla.
3. Where possible, the application must be authorised and verified by elected officers of the parent body: local, State or national.
4. All applications must include supporting documentation.
5. Each application is examined on its own merits, there is no set figure that can be used as a precedent.
6. The amount of grant depends upon the funds available at the time of application.
7. Grants available to assist in expenses to participate in the actual event
8. Whyalla Gift Foundation reserves the right to make a recommendation that a grant not be given without reasons.
9. Recipients of assistance are required to furnish the foundation with a brief written report within one month of the event.
10. All applications should be lodged at least 14 days prior to departure.
